COFFEE OPTIONS

We're coffee people. You'll find Café Bustelo grounds and Peet's whole beans waiting. Desert shelf life makes providing creamer tricky. But L&G Desert Store is just down the road and carries local dairy options worth the detour. The mugs are handmade by local artist, and friend, Leigh Dierck.

1 DRIP COFFEE

Use the Caffeinator drip machine with the Café Bustelo grounds. Tap the screen to navigate. Unplug it to power off (there's no off button). Filters are in the cabinet below the machine.
Youtube walkthrough here.

2 KEURIG

Pods are stocked in the Primary bedroom coffee cabinet for a fast single cup. Great for early mornings when you just need something ready.

3 FRENCH PRESS

The Fellow French press is great with the Peet's whole beans. Grinder is in the cabinet below.

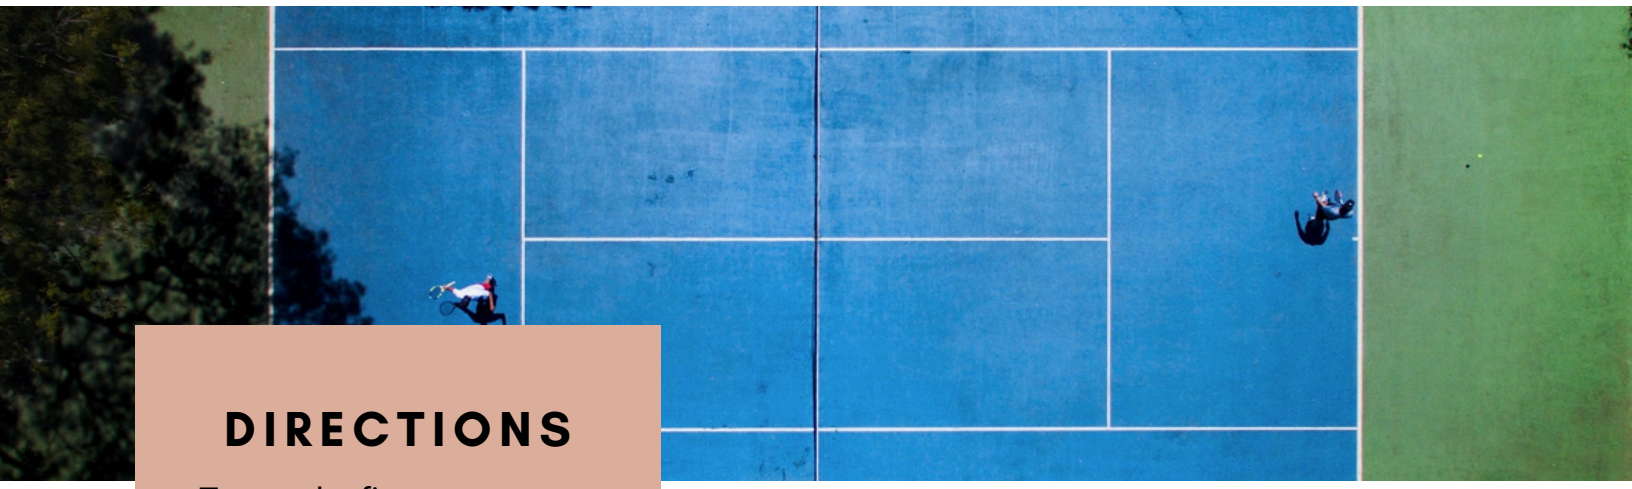

4 POUR OVER

For the patient ones. Peet's beans work well here too. Kettle, dripper, and filters are all set up and ready to go.

GAME, SET, MATCH

In addition to the three pools, you also get access to the Lifestyle Center's tennis courts and Pickleball courts. You shouldn't need a reservation and equipment is available to rent with an ID.

DIRECTIONS

To use the fitness center, please message me the names of all guests, so that I can submit a form for you to get a temporary card. Keep in mind only 4 guests may enter at one time.

If you want to use the main pool, they ask for a $10 deposit for a temporary membership card at the front desk in the gym, but you get it back when you return it.

We also have 4 pickleball paddles and extra balls in the bunk bedroom closet for you to enjoy!

82075 Country Club Drive (Directions from House)

Pool hours: 8 am - 10 pm
Check the https://hoa-ipcca.com/lifestyle-center/ for gym hours.

POOL GUIDELINES

Please help keep our backyard safe and enjoyable! Any verifiable violation of the rules will result in a cancellation of your trip without refund.

NO DIVING

We have a small pool that is only 5 feet deep. It is meant for swimming and lounging. For your safety, please absolutely no diving.

NO GLASS

There is plastic dishware and beverage cups that can be used outside. Please utilize those instead of any glass.

NO WATER BALLOONS

As fun as these may be, they are very difficult to clean up.

NO FOOD IN POOL

Please utilize the patio eating area for food and drinks. Do not leave food or drinks out overnight as it will attracts unwanted pests.

TIPS FOR

YOUR STAY

Guests have access to 3 community heated pools, spas, fitness center, and tennis courts. You can also enjoy golfing within our complex by visiting indianpalms.com, golfnow.com, or by visiting the club house. Please inquire if you have any questions.

1 GUESTBOOK

There is a leather guestbook on the green entry table in the living room. We read every entry, and guests often leave notes for whoever comes next.

2 PARDON THE DUST

Desert winds are part of the experience. A little dust on arrival is normal. We've left colored towels and a leaf blower so you can give things a quick refresh before you settle in.

3 ENTERTAINMENT

We've curated cookbooks for easy travel cooking and a collection of games located under the living room TV and the second closet.

4 OUTDOOR GRILL

The gas line is to the left of the tanning ledge. Please turn it off when you're done. Plastic dinnerware is in the kitchen cabinet left of the dishwasher.

5 FAMILIES

We have a Pack n Play, Diaper Genie, Stokke high chair, changing pad, kids dishes, and a step stool, etc

6 OUTDOOR GRILL

Desert winds are part of the experience out here. A little dust on arrival is normal. We've left colored towels and a leaf blower so you can give things a quick refresh before you settle in.

TIPS FOR

POOL & SPA

The backyard was built to keep you outside. Pool, spa, string lights, desert air. The kind of setup where nobody goes back in until they have to.

1 SPA HEATING/LIGHTS

Spa heat is complimentary. It takes about an hour to reach 103°. The Spa button on the wall panel will start the jets for one hour. The Lights button will flip the underwater lights on or off. Please turn spa/jets off when not in use.

2 POOL HEAT FYI

Pool heat and spa heat can't run at the same time. If you've paid for pool heating, the spa will be off while the pool is heating, and vice versa. Just something to plan around if you want both warm on the same night.

3 UMBRELLA

Open umbrellas don’t stand a chance in the desert wind. Just close it and bring it in when you're done.

4 FLOATIES

Please store the floaties in the garage (where you will also find an electric pump) when you're not using them. Direct desert sun breaks them down fast. An electric air pump is in the garage.

TIPS FOR

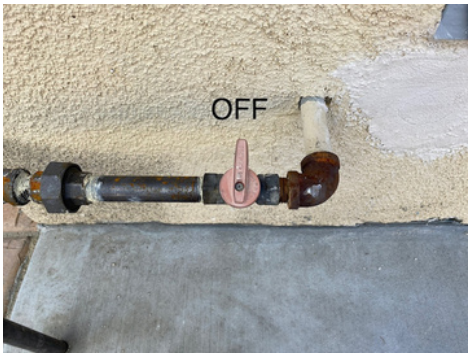

BARBEQUE

The backyard has a built-in gas BBQ that's ready to use. Fire it up for dinner, keep the kids outside, and let the evening stretch out the way desert evenings do.

1 TURN ON/OFF GAS LINE

If you would like to use the BBQ. Turn on the gas line located to the left of the tanning ledge. Once on, BBQ is ready for use. Please be sure to turn gas line off once you are done using it.

2 BBQ UTENSILS

BBQ utensils are located in the kitchen drawer. If eating outside, please utilize plastic dinnerware located in the cabinet to the left of the dishwasher.

3 FOOD STORAGE

Please do not leave any food outdoors as this will attract unwanted pests.

GETTING COMFORTABLE

Below are a few helpful tips and instructions on how to make your stay more comfortable and enjoyable!

LAUNDRY

You are welcome to use our washer and dryer. We have provided laundry detergent and dryer sheets for your convenience.
